

1st ANNUAL AIA / LIG CHARITY GOLF CLASSIC

Athletes in Action (**AIA**) and LeaderImpact Group (**LIG**) work in partnership to influence people in a deeper more personal manner.

Athletes In Action is committed to using the language of sport to communicate the most powerful message of all: God's passionate love for his children as communicated through his Son, Jesus Christ. It's a story that's changed our lives, given us purpose and hope, and we long to tell this good news to others.

LeaderImpact Group is passionate about helping marketplace leaders initiate positive change in their cities and across the country. We believe that this change happens as leaders explore and grow in their
