YOU'RE INVITED

Come join us for a special breakfast with David Friesen.

As a wealth management consultant to the ultrahigh net worth families in Calgary with Richardson GMP, **David Friesen** has seen his share of perspectives when it comes to money and family issues. “The challenge we all face is that we see our wealth in a one dimensional manner. Having a 3-D, multi-faceted view of our asset base is tremendously empowering.”

Having a spiritual dimension to his perspective on life through his faith in God has also provided David with a solid foundation that helps him be more effective as a husband, father, and leader. Hear how having a new perspective on wealth can change your life as David shares why “You’re Richer Than You Think”.
