# YOU'RE INVITED

Come join us for a special breakfast with John van Leeuwen.

**John van Leeuwen** is freeing us from petroleum. As co-founder, Chairman & CEO of Ecosynthetix Inc. he oversees operations which produces biomaterials to replace petroleum-based materials in a variety of industrial applications. Prior to Ecosynthetix, John started a number of different businesses with a wide variety of technologies, including software company Baan's North American division, which he took public on NASDAQ in 1995.

John is a visionary who believes that what he is doing can make a difference in the world. His faith in God has given him a greater purpose and meaning in life, and drives his desire to leave a legacy and a brighter future for generations to come. Join us as John shares his experiences and vision in "Building a Brighter Future".
